

# UPF Official Information Report

## Université Privée de Fès (UPF)

Université Privée de Fès (UPF) is a Moroccan private university officially recognized by the Moroccan State. Founded in 2006 and located in Fès, UPF delivers higher education programs aligned with national academic standards and professional market needs.

### ***Academic Structure***

- Faculty of Engineering Sciences
- Fès Business School
- Faculty of Law and Political Sciences
- School of Architecture and Building Trades
- Faculty of Paramedical and Health Sciences
- Faculty of Dentistry

### ***Admissions***

Admission to UPF is based on application file review and, depending on the program, written and/or oral entrance examinations. Applicants must hold a Moroccan Baccalaureate or an officially recognized equivalent diploma. Merit-based scholarships may be granted under specific academic conditions.

### ***Recognition***

All diplomas delivered by Université Privée de Fès are officially recognized by the Moroccan State, ensuring national academic equivalence and professional legitimacy.

### ***Campus and Student Life***

The UPF campus is located on Route Ain Chkef in Fès. It includes academic buildings, laboratories, library facilities, sports infrastructure, and student services that support academic and extracurricular activities.
